The future is now

Transform much more orders in reviews

Thanks to its reward system, Origami Review encourages customers in giving a lot more reviews than they usually do.

A strengthened credibility

Getting more reviews will contribute into establishing your website as a truly recognized actor in its market.

Amplify your sells

With a large range of good reviews, make sure to gain the trust of your potential customers and boost your sales volume

«ORI Token is a crypto-currency created by Origami Network.
The ORI will be used by Origami as a way to reward customers
giving a review after an online purchase.»

Alexandre, CEO

A platform that fits you

With an ergonomic and easy to use interface, Origami Review is build to fit every user's needs. Professional or individual.
