The future is now

Transform many more orders in reviews

Thanks to its reward system, Origami Review encourages customers to give a lot more reviews than they typically do.

Strengthened credibility

Getting more reviews will contribute into establishing your website as a truly recognized actor in its market.

Increase your sells

With a large range of good reviews, you will gain the trust of your potential customers and boost your sales volume

«ORI Token is a crypto-currency created by Origami Network. The ORI will be used by Origami as a way to reward customers giving a review after an online purchase.»
